Roll Call

Agenda Revised

Under Consent Agenda, Director Lacy moved to approve the personnel report; seconded by Director Pearson. Motion carried.

At 6:00 p.m. Director Vogel called the meeting into Executive Session to discuss a matter related to personnel – an appeal to the board regarding their previous denial of a leave without pay request. The session was to last 20 minutes.

Executive Session

The meeting was returned to order at 6:20 and it was announced that a special meeting to take action on the leave request appeal to the board would be held March 25, 2016 at 8:00 a.m. in the District Board Conference Room.

Jeff Byrnes, principal at Mountain Meadow Elementary, shared how he and the other elementary principals monitor student learning kid by kid - skill by skill. He has updated learning data on the students in his school by name and by need. The board had the opportunity to see student learning data on an entire grade level of students in math and ELA using AIMSWEB. He then showed the board how he lines up the AIMSWEB data on each student next to each student's math and ELA end of unit common assessments. All this information gives the principal the learning profile of the child. It also provides staff the information needed to provide our students with the appropriate additional time and support.

Kid by Kid, Skill by Skill

There being no further business to come before the board, Director Lacy moved to adjourn. Director Pearson seconded. The meeting was adjourned at 7:22 p.m.
